**AUDITOR'S REPORT ON
POLITICAL PARTY'S ELECTION FINANCING REPORT
PURSUANT TO THE ELECTION ACT**

To: Cheryl Hewitt
Financial Agent for the New Democratic Party of BC

We have audited the New Democratic Party of BC's Election Financing Report relating to the British Columbia election held on May 12, 2009. This Election Financing Report is your responsibility as the financial agent for the New Democratic Party of BC. Our responsibility is to express an opinion on this Election Financing Report based on our audit.

Except as explained in the following paragraph, we concluded our audit in accordance with Canadian generally accepted auditing standards and the requirements of section 214 of the *Election Act*. Canadian generally accepted auditing standards require that we plan and perform an audit to obtain reasonable assurance whether the Election Financing Report is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Election Financing Report. An audit also includes assessing the accounting principles used and significant estimates made by the financial agent, as well as evaluating the overall presentation of the Election Financing Report.

Due to the nature of the transactions inherent in any Political Party, the completeness of contributions and other revenue and expenses is not susceptible to satisfactory audit verification. Accordingly, our verification of these transactions was limited to the amounts recorded in the New Democratic Party of BC's records and we were not able to determine whether any adjustments might be necessary to the Election Financing Report.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves as to the completeness of the New Democratic Party of BC's records as described in the preceding paragraph, this Election Financing Report presents fairly, in all material respects, the financial transactions of the New Democratic Party of BC's records, in accordance with the requirements of Part 10 of the *Election Act*.

This Election Financing Report, which has not been, and was not intended to be, prepared in accordance with Canadian generally accepted accounting principles, is solely for the information and use of the Chief Electoral Officer to comply with Part 10 of the *Election Act*. The financing report is not intended to be and should not be used by anyone other than the specified users or for any other purpose.
