INDEPENDENT AUDITOR'S REPORT

To James Gray, Financial Agent for George Abbott

We have audited the accompanying leadership contestant financing report of George Abbott relating to the B.C. Liberal Party's leadership contest held on February 26, 2011. The financing report has been prepared by the Financial Agent for George Abbott based on the financial reporting provisions of Part 10 of the Election Act.

Financial agent's responsibility for the financing report

The Financial Agent is responsible for the preparation of the financing report in accordance with the financial reporting provisions of Part 10 of the Election Act, and for such internal control as the financial agent determines is necessary to enable the preparation of financing reports that are free from material misstatement, whether due to error or fraud

Auditor's Responsibility

Our responsibility is to express an opinion on the financing report based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards as required by Section 214 of the Election Act (British Columbia). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financing report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financing report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financing report, whether due to error or fraud. In making those risk assessments, the auditor considers internal control relevant to the Financial Agent's preparation of the financing report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Candidate's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Financial Agent, as well as evaluating the overall presentation of the financing report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

Due to the nature of the transactions inherent in any leadership contest, the completeness of contributions and other revenue and expenses is not susceptible to satisfactory audit verification. Accordingly, our verification of these transactions was limited to the amounts recorded in the records and we were not able to determine whether any adjustments might be necessary to the financing report.
