Qualified Opinion

We have audited the accompanying leadership contestant financing report of Cam Brewer relating to the Green Party of British Columbia leadership selection held on September 5 to 13 2020. The report comprises:

Form F-LC:	Financing Report
Form Sm-I-L:	Summary of Leadership Contestant Income
Form Sm-E-L:	Summary of Leadership Contestant Expenses
Form Sm-C:	Summary of Political Contributions
Form S-A1:	Political Contributions with a value greater than \$250

Form Sm-A:	Summary of Advertising Expenses by Class
Form Sm-PE:	Personal Expenses of the Contestant

Form S-F:	Fundraising Functions

The leadership contestant financing report has been prepared by the financial agent for the leadership contestant based on the financial reporting provisions of Part 10 of the British Columbia Election Act.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the leadership contestant financing report of the leadership contestant for Green Party of British Columbia leadership selection held on September 5 to 13 2020 is prepared, in all material respects, in accordance with the financial reporting provisions of Part 10 of the Election Act.

Basis for Qualified Opinion

Due to the nature of the transactions inherent in any leadership campaign, the completeness of contributions and other revenue and expenses is not susceptible to satisfactory audit verification. Accordingly, our verification of these transactions was limited to the amounts recorded in the campaign records and we were not able to determine whether any adjustments might be necessary to the leadership contestant financing report.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Return section of our report. We are independent of the Contestant in accordance with the ethical requirements that are relevant to our audit of the Return in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Basis of Accounting and Restriction on Use

The leadership contestant financing report is prepared to assist the leadership contestant to comply with the financial reporting provisions of Part 10 of the Election Act, as a result, the leadership contestant financing report may not be suitable for another purpose.

Our report is intended solely for the official agent, the contestant and the Chief Electoral Officer, and should not be used by parties other than the official agent, the contestant or the Chief Electoral Officer.

Financial agent's responsibility for the leadership contestant financing report

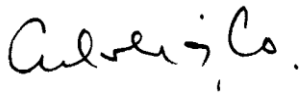

The financial agent is responsible for the preparation of the leadership contestant financing report in accordance with the financial reporting provisions of Part 10 of the Election Act, and for such internal control as the financial agent determines is necessary to enable the preparation of leadership contestant financing reports that are free from material misstatement, whether due to error or fraud

Auditor's responsibility for the Audit of the leadership contestant financing report

Our objectives are to obtain reasonable assurance about whether the Return as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Return. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Return, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the campaign's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the official agent.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
