Independent auditor's report

To Kevin Tang, Financial Agent for
Antony J Harris

Report on the audit of the Election Financing Report

Qualified opinion

We have audited the Election Financing Report of **Antony J Harris** [the "Candidate"] for the British Columbia by-election held on January 30, 2019, in the electoral district of Nanaimo which includes the Statement of Election Income and Expenses; Summary of Expenses; Transfers Received and Given; Summary of Claim for Reimbursement of Election Expenses; and Details of Claim for Reimbursement of Election Expenses forms and a note to the Election Financing Report [together, the "Election Report"].

In our opinion, except for the possible effects of the matter described in the Basis for qualified opinion section of our report, the accompanying Election Report is prepared, in all material respects, in accordance with the financial reporting provisions specified in Part 10, Division 6, Sections 209 and 213 of the *Election Act* (British Columbia).

Basis for qualified opinion

Our verification of election income and election expenses was limited to the amounts recorded in the Candidate's Election Report records, the completeness of which is not susceptible to satisfactory audit verification as it is impractical to examine all other contributions received and expenses incurred by the Candidate. Therefore, we were not able to determine whether any adjustments might be necessary to the Election Report. Our audit opinion on the Election Report was modified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Election Financing Report* section of our report. We are independent of the Candidate in accordance with the ethical requirements that are relevant to our audit of the report in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Emphasis of matter – basis of accounting and restriction on use

We draw attention to note 1 to the Election Report, which describes the basis of accounting. The Election Report is prepared to assist the Candidate and Financial Agent to meet the requirements of Part 10, Division 6, Sections 209 and 213 of the *Election Act* (British Columbia). As a result, the Election Report may not be suitable for another purpose. Our report is intended solely for Candidate, its Financial Agent, and the British Columbia Chief Electoral Officer and should not be used by parties other than Candidate, its Financial Agent, and the British Columbia Chief Electoral Officer. Our opinion is not modified in respect of this matter.

Responsibilities of the Financial Agent

The Financial Agent is responsible for the preparation of the report in accordance with the financial reporting provisions specified in Part 10, Division 6, Sections 209 and 213 of the *Election Act* (British Columbia); this includes determining that the applicable financial reporting framework is acceptable for the preparation of the report in the circumstances, and for such internal control as the Financial Agent determines is necessary to enable the preparation of the Election Report that is free from material misstatement, whether due to fraud or error.

The Financial Agent is responsible for overseeing the Candidate's financial reporting process.

Auditor's responsibilities for the audit of the Election Financing Report

Our objectives are to obtain reasonable assurance about whether the Election Report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this report.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Election Report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Candidate's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Financial Agent.

We communicate with the Financial Agent regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
