ON THE CANDIDATE'S ELECTION FINANCING REPORT

To: Haruko Williams, Financial Agent for Garry Begg

We have audited the accompanying election financing report of Garry Begg relating to the British Columbia election held on October 24, 2020 in the electoral district of Surrey-Guildford.

In our opinion, except for the effects of the matters described in *Basis for Qualified Opinion* section of the report, the accompanying election financing report of Garry Begg for the British Columbia election held on October 24, 2020 in the electoral district of Surrey-Guildford is prepared, in all material respects, in accordance with the financial reporting provisions of Part 10 of the *Election Act* (British Columbia).

Basis for Qualified Opinion

Due to the nature of the transactions inherent in any election campaign, the completeness of contributions and other revenue and expenses is not susceptible to satisfactory audit verification. Accordingly, our verification of these transactions was limited to the amounts recorded in the election campaign records and we were not able to determine whether any adjustments might be necessary to the election financing report.

We conducted our audit in accordance with Canadian generally accepted auditing standards as required by Section 214 of the *Election Act* (British Columbia). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Election Financing Report*. We are independent of the Candidate in accordance with the ethical requirements that are relevant to our audit of the election financing report in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter – Restriction on Use

This election financing report is prepared to assist Garry Begg to comply with the financial reporting provisions of the *Election Act* (British Columbia) referred to above. As a result, the election financing report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Responsibilities of the Financial Agent for the Election Financing Report

The financial agent is responsible for the preparation of the election financing report in accordance with the financial reporting provisions of Part 10 of the *Election Act*, and for such internal control as the financial agent determine is necessary to enable the preparation of election financing reports that are free from material misstatement, whether due to error or fraud.

Auditor's Responsibilities for the Audit of the Election Financing Report

Our objectives are to obtain reasonable assurance about whether the election financing report as a whole is free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this election financing report.

.../2

Garry Begg
Independent Auditor's Report
Page 2

As part of an audit in accordance with Canadian generally accepted audited standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the election financing report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, or as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the candidate's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the financial agent.

We communicate with the financial agent of Garry Begg regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
