## INDEPENDENT AUDITOR'S REPORT

To Judy Button Financial Agent for Eric Foster

### *Qualified Opinion*

We have audited the accompanying election financial reports ("financial reports") of Eric Foster relating to the British Columbia election held on October 24, 2020 in the electoral district of Vernon Monashee. The election financing report has been prepared by the Financial Agent for Eric Foster based on the financial reporting provisions of Part 10 of the *Election Act*.

In our opinion, except for effects of the matter described on the *Basis for Qualified Opinion* paragraph, the financial reports of Eric Foster for the British Columbia (by) election held on October 24, 2020 in the electoral district of Vernon Monashee is prepared, in all material respects, in accordance with the financial reporting provisions of Part 10 of the *Election Act*.

### *Basis for Qualified Opinion*

Due to the nature of the transactions inherent in any election campaign, the completeness of contributions and other revenue and expenses is not susceptible to satisfactory audit verification. Accordingly, our verification of these transactions was limited to the amounts recorded in the election campaign records and we were not able to determine whether any adjustments might be necessary to the election financing report.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Reports section of our report. We are independent of Eric Foster in accordance with the ethical requirements that are relevant to our audit of the financial reports in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

### *Responsibilities of the Financial Agent for the Financial Reports*

Management is responsible for the preparation and fair presentation of the financial reports in accordance with the *Election Act*, and for such internal control as management determines is necessary to enable the preparation of financial reports that are free from material misstatement, whether due to fraud or error.

In preparing the reports, management is responsible for assessing the Eric Foster's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The financial agent is responsible for overseeing the Eric Foster's financial reporting process.

### *Auditors' Responsibilities for the Audit of the Financial Reports*

Our objectives are to obtain reasonable assurance about whether the financial reports as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial reports. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial reports, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Eric Foster's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Eric Foster's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial reports or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Eric Foster to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial reports, including the disclosures, and whether the financial reports represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the financial agent, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide the financial agent with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the financial agent, we determine those matters that were of most significance in the audit of the financial reports of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
