Independent auditor's report

To David Goldsmith, Financial Agent for the
British Columbia Liberal Party

Qualified opinion

We have audited the Election Financing Report of the **British Columbia Liberal Party** [the "Party"] for the general election held on October 24, 2020, which includes the Statement of Election Income and Expenses; Summary of Election Expenses; Summary of Political Contributions; Political Contributions with a Total Value Greater Than $250; Permitted Anonymous Contributions Accepted at Functions; Prohibited Contributions; Summary of Advertising Expenses by Class; Summary of Fundraising Functions; Fundraising Function; Loans and Guarantees; Transfers Received and Given; Summary of Election Expense Reimbursement Claim; and Details of Election Expense Reimbursement Claim forms [together the "Election Financing Report"].

In our opinion, except for the possible effects of the matter described in the *Basis for qualified opinion* section of our report, the accompanying Election Financing Report is prepared, in all material respects, in accordance with the financial reporting provisions of Part 10 of the *Election Act* (British Columbia).

Basis for qualified opinion

Due to the nature of the transactions inherent in any political party, the Party derives revenue from fundraising activities and incurs expenses for the election campaign, the completeness of which are not susceptible to satisfactory audit verification. Accordingly, verification of these revenues and expenses was limited to the amounts recorded in the election records of the Party. Therefore, we were not able to determine whether any adjustments might be necessary to the Election Financing Report.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Election Financing Report* section of our report. We are independent of the Party in accordance with the ethical requirements that are relevant to our audit of the Election Financing Report in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Emphasis of matter – basis of accounting and restriction on use

We draw attention to the note to the Election Financing Report, which describes the basis of accounting. The Election Financing Report is prepared to assist the Party and Financial Agent to meet the requirements of Part 10 of the *Election Act* (British Columbia). As a result, the Election Financing Report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

Our report is intended solely for the Party, its Financial Agent, and the British Columbia Chief Electoral Officer and should not be used by parties other than the Party, its Financial Agent, and the British Columbia Chief Electoral Officer.

Responsibilities of the Financial Agent for the Election Financing Report

The Financial Agent is responsible for the preparation of the Election Financing Report in accordance with the financial reporting provisions specified in Part 10 of the *Election Act* (British Columbia) and for such internal control as the Financial Agent determines is necessary to enable the preparation of the Election Financing Report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the Election Financing Report

Our objectives are to obtain reasonable assurance about whether the Election Financing Report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Election Financing Report.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Election Financing Report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Party's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Financial Agent.

We communicate with the Financial Agent of the Party regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
